RED Exclusive Design: il vostro partner di fiducia

Fondata nel 2013, RED si contraddistingue da subito per la sua dinamicità che le permette di evolversi e specializzarsi nella produzione di arredi per ufficio, divenendo ben presto una realtà all'avanguardia in grado di offrire una risposta fortemente competitiva alle richieste del mercato.

La predisposizione a crescere ed innovare ci ha portato ad espandere le soluzioni progettuali proponendo una modularità sempre più ampia, nonché una vasta proposta di finiture che permettono la **massima personalizzazione dell'ambiente ufficio**.

La disponibilità in **pronta consegna** degli articoli più venduti, garantisce una spedizione e un allestimento rapido in ogni parte d'Italia.

Grazie al servizio di **progettazione e realizzazione di arredi custom**, ascoltiamo le persone e progettiamo secondo le loro esigenze, garantendo tempi e costi certi.

La filiera produttiva, scelta accuratamente, ci permette di proporci come **unico partner per l'arredo di spazi commerciali, bancari, uffici e hotellerie**, con soluzioni attuali che garantiscono qualità al giusto prezzo.

RED: votre partenaire de confiance

Fondée en 2013, RED se distingue dès ses débuts par son dynamisme qui lui permet d'évoluer et de se spécialiser dans la production de mobilier de bureau. Elle devient rapidement une réalité à l'avant-garde, apte à répondre de façon compétitive à la demande du marché.

Notre propension à vouloir grandir et à innover, nous amène à développer des solutions conceptuelles proposant une modularité toujours plus importante ainsi qu'une vaste gamme de finitions afin de **personnaliser le plus possible l'espace bureau**.

La disponibilité des articles les plus vendus en **livraison express** garantit une expédition et une installation rapides sur tout le territoire.

Grâce à notre service de **conception et réalisation de meubles sur mesure** à l'écoute des personnes, nous élaborons des projets selon leurs exigences tout en garantissant les délais et les coûts.

La filière de production, choisie avec soin, nous permet de nous proposer comme **partenaire unique pour l'aménagement d'espaces commerciaux et bancaires, de bureaux et d'hôtellerie**, avec des solutions actuelles qui garantissent la qualité à un juste prix.

RED: your trusted partner

Founded in 2013, RED has immediately stood out for its dynamism that allowed the company to evolve and specialize in manufacturing of office furniture, becoming soon an avant-garde reality capable of offering a highly competitive answer to market demand.

The predisposition to grow and innovate has led us to expand the design solutions by offering an ever wider modularity, as well as a wide range of finishes that allow the **greatest customization of the office environment**.

The **ready-to-delivery** availability of the best-selling items guarantees a quick shipping and a set-up worldwide.

Thanks to the **design and manufacture of the custom furniture**, we listen to people and we design according to their needs by guaranteeing certain times and costs.

The carefully chosen production chain allows us to offer ourselves as the **only partner for the furnishing of commercial, banking and office spaces and hotels**, with modern solutions that guarantee the quality at the right price.

RED: su socio de confianza

Fundada en 2013, RED se destaca de inmediato por su dinamismo que le permite evolucionar e especializarse en la fabricación de mobiliario de oficina, convirtiéndose pronto en una realidad de vanguardia capaz de ofrecer una respuesta altamente competitiva a las demandas del mercado.

La predisposición a crecer e innovar nos ha llevado a ampliar las soluciones de diseño ofreciendo una modularidad cada vez más amplia, así como una amplia gama de acabados que permiten la **máxima personalización del entorno de oficina**.

La disponibilidad de **entrega inmediata** de los artículos más vendidos garantiza un envío y una configuración rápidos en cualquier parte.

Gracias al **diseño y a la fabricación de muebles a medida**, escuchamos a las personas y diseñamos de acuerdo a sus necesidades, garantizando ciertos tiempos y costos.

La cadena de producción, cuidadosamente elegida, nos permite proponernos como el **único socio para el equipamiento de espacios comerciales, bancarios y de oficinas**. Y hoteles, con soluciones actuales que garantizan calidad al precio justo.

Qualità certificata 100% Made in Italy

La qualità è per noi un fattore chiave alla base di ogni lavorazione: dalla selezione accurata dei materiali, alla realizzazione. Per offrirvi prestazioni eccellenti e durata nel tempo. Una qualità certificata periodicamente dai più importanti laboratori.

CVI QUALITY SYSTEM CERTIFICATE

Code of the certification body: **1-421-001-015**

CONFORMANCE VERIFICATION INTERNATIONAL

Certificazioni ISO 9001

Attestano l'attenzione nella gestione della produzione, per garantire la qualità durante tutto il percorso che va dalla definizione dei bisogni del cliente fino alla loro soddisfazione, attraverso la gestione di tutte le diverse attività aziendali.

Qualité 100% Italienne Certifiée

La qualité représente pour nous un facteur clé à la base de tout travail, de la sélection scrupuleuse des matériaux à la réalisation, afin de vous offrir d'excellentes prestations et durabilité. Une qualité qui est périodiquement certifiée par les laboratoires les plus importants.

Certifications ISO 9001 - Elles attestent de l'attention portée dans le management de la production, afin de garantir la qualité tout au long du parcours allant de la définition des besoins à la satisfaction du client à travers la gestion de l'ensemble des activités de l'entreprise.

Certifications ISO 14001 - Elle atteste de l'attention et du respect de l'environnement, du développement d'un Système de Management Environnemental efficace, afin d'améliorer toutes les activités de l'entreprise pouvant avoir un impact sur l'environnement.

Certifications ISO 45001:2018 - Nous pensons que le respect de la santé de la personne part de l'intérieur, de ceux qui, grâce à leur professionnalisme, réalisent des produits de qualité. C'est pour cette raison que SP Office a demandé la certification relative à la sécurité et à la qualité du travail.

Certificazione ISO 14001

Attesta l'attenzione e il rispetto dell'ambiente, lo sviluppo di un efficace Sistema di Gestione Ambientale, al fine di migliorare tutte le attività aziendali che possono avere un impatto sull'ambiente.

Quality 100% Italian Certified

Quality is for us a key factor at the base of every process: from the careful selection of materials to the realization. To offer you excellent performance and durability. A quality certified periodically by the most important laboratories.

Certifications ISO 9001 - They certify the attention paid to the management of the production, to ensure quality throughout the process that goes from the definition of the customer's needs to their satisfaction, through the management of all the different company activities.

Certifications ISO 14001 - It certifies the attention to the environment and the respect for it, the development of an effective Environmental Management System, in order to improve all business activities that may have an impact on the environment.

Certifications ISO 45001:2018 - We believe that the respect of the human health starts right from within, from those who, through their professionalism, create quality products. That is the reason why SP Office has requested the safety and quality of work certification.

Certificazione ISO 45001:2018

Crediamo che il rispetto della salute dell'uomo parta proprio dall'interno, da coloro che attraverso la loro professionalità realizzano prodotti di qualità. Ecco perché RED ha richiesto la certificazione di sicurezza e qualità del lavoro.

Calidad 100% italiano Certificado

Para nosotros, la calidad es un factor clave detrás de cada proceso: desde la cuidadosa selección de materiales hasta la implementación. Para ofrecerle un excelente rendimiento y durabilidad. Una calidad certificada periódicamente por los laboratorios más importantes.

Certificaciones ISO 9001 - Certifican la atención prestada a la gestión de la producción, para asegurar la calidad en todo el proceso que va desde la definición de las necesidades del cliente hasta su satisfacción, pasando por la gestión de todas las diferentes actividades de la empresa.

Certificaciones ISO 14001 - Certifica la atención y el respeto al medio ambiente, el desarrollo de un Sistema de Gestión Ambiental eficaz, con el fin de mejorar todas las actividades de la empresa que puedan tener un impacto en el medio ambiente.

Certificaciones ISO 45001:2018 - Creemos que el respeto de la salud humana comienza desde dentro, desde aquellos que a través de su profesionalismo crean productos de calidad. Es por eso que SP Office solicitó la certificación de seguridad y calidad del trabajo.

Rispetto per l'ambiente e per l'uomo

Il rispetto per le risorse ambientali e il benessere dell'uomo sono al centro di ogni nostro progetto. Ecco perché realizziamo i nostri arredi utilizzando pannelli ecologici riciclati, vernici prive di metalli pesanti e legni provenienti da foreste certificate, assicurando la massima riduzione delle emissioni tossiche e l'eliminazione dei composti nocivi come la formaldeide.

Pannelli ecologici riciclati al 100%

Utilizziamo solo i migliori pannelli ecologici certificati, realizzati in Italia con legno riciclato post-consumo; che presentano ottime caratteristiche di idrorepellenza e basse emissioni di formaldeide.

Le respect de l'homme et de l'environnement

Le respect des ressources environnementales et le bien-être de la personne sont au centre de tous nos projets. Pour cette raison, nous réalisons nos meubles en utilisant des panneaux écologiques recyclés, des vernis sans métaux lourds et des bois issus de forêts certifiées, garantissant la plus grande réduction d'émissions de substances toxiques et l'élimination de composés nocifs tels que le formaldéhyde.

Laquages avec des vernis à l'eau

Nos laquages sont réalisés avec des vernis à l'eau alliant l'innovation et la haute qualité au plus grand respect de l'environnement.

Des panneaux écologiques recyclés à 100%

Nous utilisons uniquement les meilleurs panneaux écologiques certifiés, réalisés en Italie avec du bois usagé recyclé. Ils présentent d'excellentes caractéristiques hydrofuges et de faibles émissions de formaldéhyde.

Une optique durable anti-gaspillage

Chaque meuble est conçu dans une optique durable anti-gaspillage et est produit selon des procédés à faible impact environnemental. Les matériaux utilisés, tels que le verre et l'acier inoxydable, sont eux aussi écologiques et recyclables.

Laccature con vernici all'acqua

Le nostre laccature sono realizzate con vernici all'acqua che coniugano innovazione, altissima qualità e massimo rispetto per l'ambiente.

Respect for the environment and for the man

The respect for environmental resources and the human well-being are at the heart of all our projects. That's why we make our furniture using recycled ecological panels, heavy metal-free paints and woods from certified forests, ensuring the maximum reduction of toxic emissions and the elimination of harmful compounds such as formaldehyde.

Lacquering with water-based paints

Our lacquers are made with water-based paints that combine innovation, high quality and maximum respect for the environment.

100% recycled ecological panels.

We only use the best certified ecological panels, made in Italy with post-consumer recycled wood; which have excellent water-repellent characteristics and low formaldehyde emissions.

Sustainable zero-waste approach

Each piece of furniture is designed in a sustainable zero-waste approach and produced with methods with low environmental impact. Materials such as glass and stainless steel are ecological and recyclable too.

Ottica sostenibile anti-spreco

Ogni arredo è pensato in un'ottica sostenibile anti spreco e prodotto con metodi a basso impatto ambientale. Ecologici e riciclabili anche i materiali come il vetro e l'acciaio inox.

El respeto por el medio ambiente y por el hombre

El respeto por los recursos medioambientales y el bienestar humano están en el centro de todos nuestros proyectos. Por eso fabricamos nuestros muebles con paneles ecológicos reciclados, pinturas libres de metales pesados y maderas de bosques certificados, asegurando la máxima reducción de emisiones tóxicas y la eliminación de compuestos nocivos como el formaldéhid.

Lacado con pinturas al agua

Nuestros lacados están elaborados con pinturas al agua que combinan innovación, alta calidad y máximo respeto por el medio ambiente.

Paneles ecológicos 100% reciclados

Solo utilizamos los mejores paneles ecológicos certificados, fabricados en Italia con madera reciclada post consumo; que tienen excelentes características repelentes al agua y bajas emisiones de formaldéhid.

Marco sostenible antidesgaste

Cada mueble está diseñado en una perspectiva sostenible antidesgaste y producida con métodos de bajo impacto ambiental. Materiales como vidrio y acero inoxidable son también ecológicos y reciclables.

Caratteristiche:

- Struttura con gambe a sezione triangolare in acciaio cromato o verniciato in 3 finiture.
- Piani in nobilitato disponibili in 9 finiture.
- Piani in cristallo disponibili in 2 finiture.
- Piani rivestiti in Fenix disponibili in 5 finiture.
- Mobili di servizio per composizioni in appoggio.
- Personalizzazione infinita dei piani di lavoro.

Caractéristiques:

- Structure avec pieds à section triangulaire en acier chromé ou vernis en 3 finitions.
- Plateaux anoblis disponibles en 9 finitions.
- Plateaux en cristal disponibles en 2 finitions.
- Plateaux revêtus de Fenix disponibles en 5 finitions.
- Meubles de service porteurs pour les compositions.
- Infinité de possibilités pour personnaliser les plans de travail.

Features:

- Structure with triangular section legs in chromed or painted steel in 3 finishes.
- Melamine tops available in 9 finishes.
- Glass tops available in 2 finishes.
- Tops covered in Fenix available in 5 finishes.
- Service furniture for support compositions.
- Infinite customization of working surfaces.

GHOST

**Características:**

- Estructura con patas de sección triangular en acero cromado o pintado en 3 acabados.
- Encimeras de melamina disponibles en 9 acabados.
- Encimeras de cristal disponibles en 2 acabados.
- Encimeras revestidas en Fenix disponibles en 5 acabados.
- Mobiliario de servicio para composiciones de soporte.
- Personalización infinita de planus de trabajo.

GHOST 01

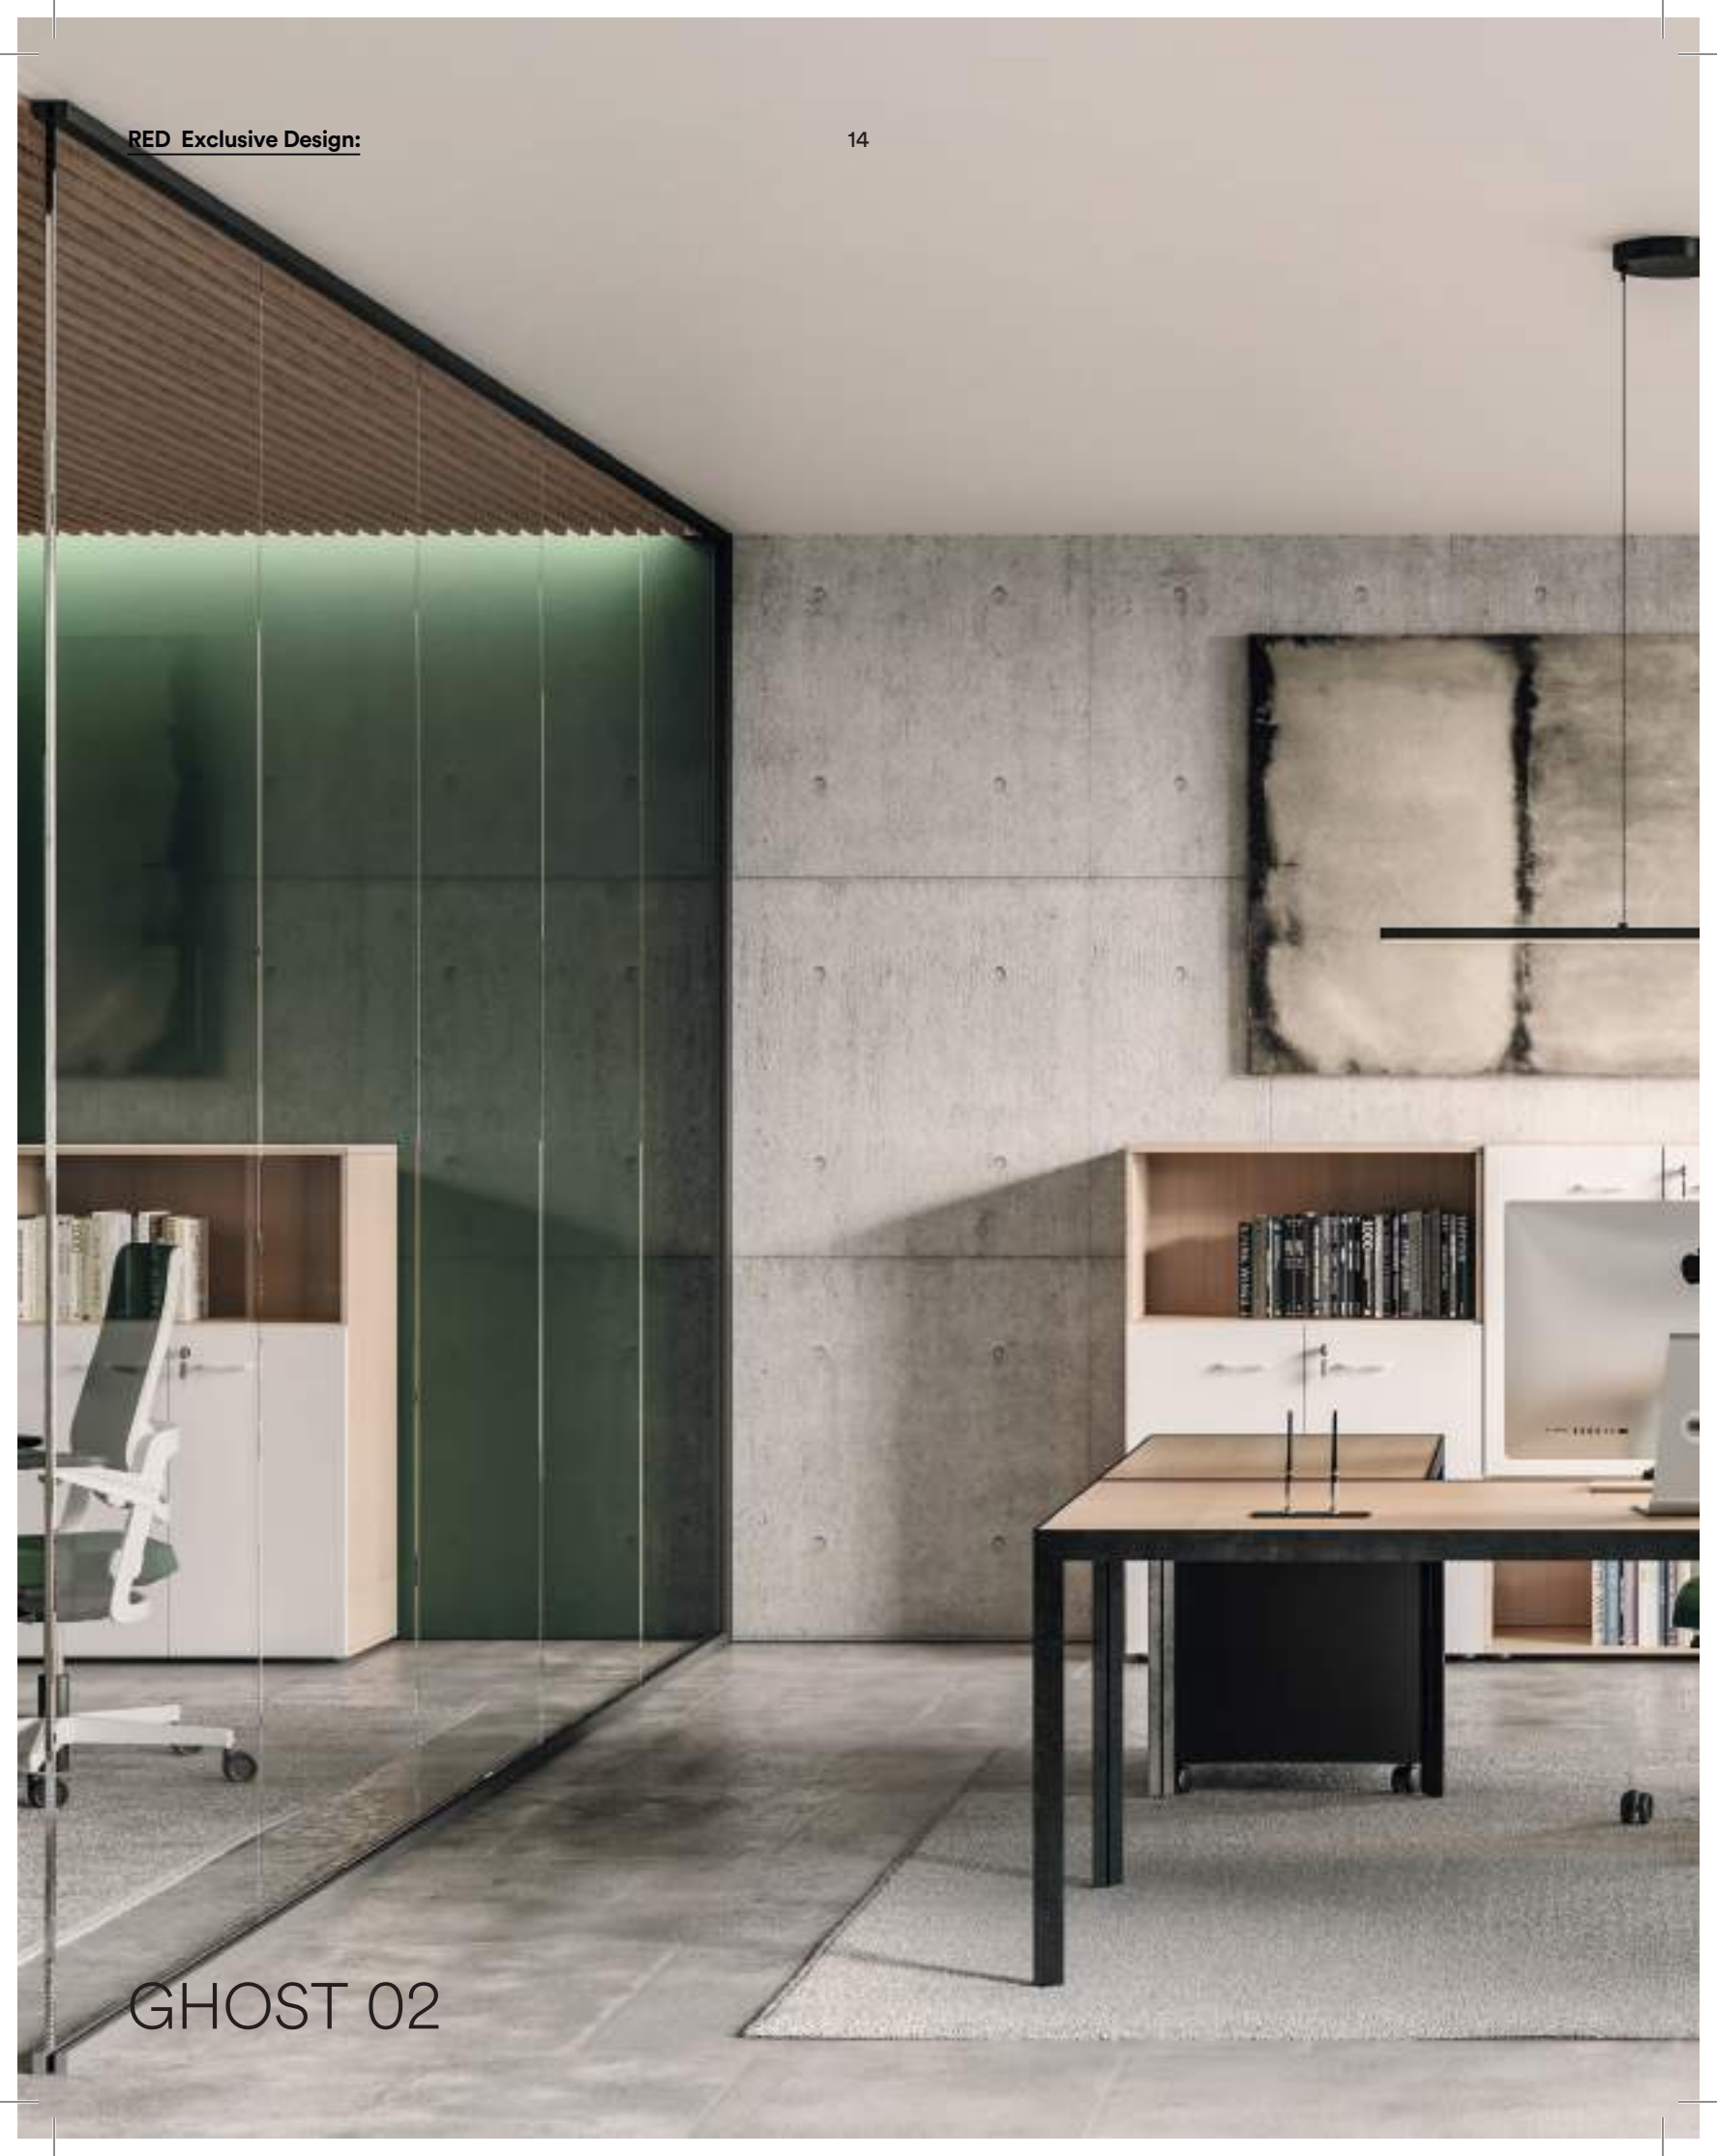

Il piano in vetro retro laccato si abbina perfettamente alla brillantezza della struttura cromata: materiali di pregio per un ufficio direzionale moderno ed elegante.

Le plateau en verre laqué se marie parfaitement au brillant de la structure chromée : des matériaux prestigieux pour un bureau de direction moderne et élégant.

The back-lacquered glass top perfectly matches the brilliance of the chromed structure: quality materials for a modern and elegant executive office.

La encimera de vidrio lacado al revés combina a la perfección con el brillo de la estructura cromada: materiales de calidad para una oficina ejecutiva moderna y elegante.

GHOST 02

La scrivania con allungo laterale permette di ottenere un piano supplementare, coniugando funzionalità e design.

Le bureau avec retour permet d'obtenir un plan de travail supplémentaire, alliant fonctionnalité et design.

The desk with lateral extension allows to obtain an additional top, combining functionality and design.

El escritorio con extensión lateral permite obtener un tablero adicional, combinando funcionalidad y diseño.

GHOST 03

L'isola di lavoro bench a 6 postazioni accessoriata con schermi divisorii, permette di condividere gli spazi e garantire la concentrazione in ufficio.

Les bureaux bench en îlot pour 6 personnes, équipés d'écrans de séparation, permettent de partager les espaces et de garantir la concentration au travail.

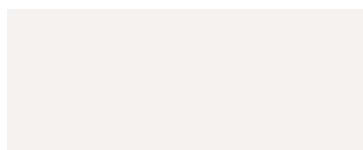

The bench working island with 6 workstations, equipped with dividing screens, allows you to share spaces and ensure concentration in the office.
La isla de trabajo bench con 6 puestos de trabajo, equipada con mamparas divisorias, permite compartir espacios y garantizar la concentración en la oficina.

N50

N50 110

N50 240

**Caratteristiche:**

- Gambe pannellate nobilitate spessore 38 mm disponibili in 5 finiture.
- Gonna strutturale personalizzabile con 9 colorazioni.
- Piani in nobilitato disponibili in 5 finiture.
- Piani spessore 38 mm di serie.
- Nuovi allunghi su gamba pannellata disponibili in abbinamento.
- Mobili di servizio per composizioni in appoggio esterno o in sormonto.

Caractéristiques:

- Pieds panneaux nobilités de 38 mm d'épaisseur disponibles en 5 finitions.
- Voile de fond structurel personnalisable en 9 coloris.
- Plateaux nobilités disponibles en 5 finitions.
- Plateaux de série de 38mm d'épaisseur.
- Nouveaux retours sur pied panneau disponibles en combinaison.
- Meubles de service porteurs avec un appui externe ou en chevauchement pour les compositions.

Features:

- 38 mm thick melamine paneled legs available in 5 finishes.
- Customizable structural modesty panel with 9 colors.
- Melamine tops available in 5 finishes.
- 38 mm thick tops as standard.
- New extensions on paneled leg available in combination.
- Service furniture for compositions in external support or overlapping.

EXE WOOD

**Características:**

- Patas paneladas melámnicas de 38 mm de espesor disponibles en 5 acabados.
- Faldón estructural personalizable con 9 colores.
- Encimeras de melamina disponibles en 5 acabados.
- Encimeras de 38 mm de espesor de serie.
- Nuevas extensiones en la pierna con paneles disponibles en combinación.
- Mobiliario de servicio para composiciones en apoyo externo o superposición.

EXE WOOD 01

L'allungo, posizionabile sia a destra che a sinistra, aumenta la superficie della scrivania aggiungendo un comodo piano laterale.

Le retour, placé à droite ou à gauche, augmente la surface du bureau en ajoutant un plateau latéral fonctionnel.

The extension, which can be positioned both on the right and on the left, increases the surface of the desk by adding a comfortable side surface.

La extensión, que se puede colocar tanto a la derecha como a la izquierda, aumenta la superficie del escritorio añadiendo una superficie lateral cómoda.

RED Exclusive Design:

74

EXE WOOD 02

Le scrivanie per ufficio con mobile di servizio portante reversibile dx/sx, garantiscono grande capacità contenitiva e libertà compositiva.

Les bureaux avec un meuble de service porteur réversible droite/gauche garantissent une grande capacité de rangement et une liberté de composition.

The office desks with right / left reversible load-bearing service cabinet guarantee great storage capacity and compositional freedom.

Los escritorios de oficina con mueble de servicio con función portante reversible derecha / izquierda garantizan una gran capacidad de contención y libertad de composición.

Armadi e contenitori possono essere integrati facilmente con tutti i modelli SpOffice, grazie alla trasversalità delle finiture.

Des armoires et des rangements peuvent être facilement intégrés à tous les modèles SP Office grâce à la transversalité des finitions.

Cabinets and containers can be easily integrated with all Sp Office models, thanks to the transversality of the finishes.

Los armarios y contenedores se pueden integrar fácilmente con todos los modelos de SpOffice, gracias a la transversalidad de los acabados.

Le venature calde del piano in melaminico legno dialogano con le tinte più chiare dei contenitori, raggiungendo un perfetto equilibrio stilistico.

Les veines chaudes du plateau mélaminé décor bois dialoguent avec les tons plus clairs des rangements, atteignant un équilibre stylistique parfait.

The warm veins of the melamine wood top interact with the lighter colors of the containers, achieving a perfect stylistic balance.

Las venas cálidas de la encimera de madera melamina interactúan con los colores más claros de los contenedores, logrando un perfecto equilibrio estético.

**Caratteristiche:**

- Struttura con doppia soluzione di serie per gambe a "T" o "L".
- Strutture disponibili in 2 finiture.
- Travi fisse su scrivanie ad altezza fissa.
- Travi telescopiche su scrivanie ad altezza variabile.
- Strutture a controllo elettronico della regolazione in altezza disponibile in 3 modelli e 3 finiture.
- Piani in nobilitato disponibili in 9 finiture.
- Piani spessore 25 mm.

Caractéristiques:

- Structure avec deux solutions de série pour les pieds en « T » ou en « L ».
- Structures disponibles en 2 finitions.
- Poutres fixes sur les bureaux de hauteur fixe.
- Poutres télescopiques sur les bureaux de hauteur variable.
- Structures réglables en hauteur par contrôle électronique, disponibles en 3 modèles et 3 finitions.
- Plateaux anoblis disponibles en 9 finitions.
- Plateaux de 25 mm d'épaisseur

Features:

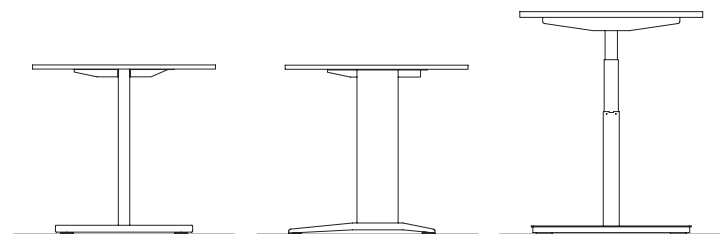

- Structure with double standard solution for "T" or "L" legs.
- Structures available in 2 finishes.
- Fixed beams on fixed height desks.
- Telescopic beams on variable height desks.
- Electronically controlled structures with height adjustment available in 3 models and 3 finishes.
- Melamine tops available in 9 finishes.
- 25 mm thick tops.

IorC

Características:

- Estructura con doble solución de estándar para patas con formas de "T" o "L".
- Estructuras disponibles en 2 acabados.
- Vigas fijas en escritorios de altura fija.
- Vigas telescópicas en escritorios de altura variable.
- Estructuras reguladoras con altura controlada electrónicamente disponible en 3 modelos y 3 acabados.
- Encimeras de melamina disponibles en 9 acabados.
- Encimeras de 25 mm de espesor.

ARMADI

**Caratteristiche:**

- Armarios y puertas disponibles en 9 acabados estándar.
- Dorso de 18 mm de espesor o alternativamente en blanco de 6 mm.
- Estantes de 25 mm de espesor o en acero.
- Puertas personalizables en acabados lacados o en cristal.
- Combinaciones de colores ilimitadas.
- Personalizaciones a pedido.

Le strutture a giorno si integrano perfettamente con tutta la gamma di prodotti RED, grazie alla trasversalità delle finiture ed alla possibilità di personalizzare le tinte selezionandole dalla mazzetta RAL.

Les structures ouvertes s'intègrent parfaitement avec toute la gamme de produits RED grâce à la transversalité des finitions et à la possibilité de personnaliser les coloris en les choisissant dans le nuancier RAL.

The open structures integrate perfectly with the entire range of RED products, thanks to the transversality of the finishes and the possibility of customizing the colors by selecting them from the RAL fan decks.

Las estructuras se integran perfectamente con toda la gama de productos RED, gracias a la transversalidad de los acabados y la posibilidad de personalizar los colores seleccionándolos de la muestra RAL.

Le strutture a giorno in melaminico, fruibili ad uso libreria, possono essere completate con ante in melaminico tinta unita, melaminico legno o ante laccate. In quest'ultimo caso è possibile selezionare la tinta RAL preferita, per personalizzare al meglio l'ambiente di lavoro.

Les structures ouvertes en mélaminé, utilisables comme bibliothèque, peuvent être complétées par des portes en mélaminé décor uni, en mélaminé décor bois ou par des portes laquées. Dans ce dernier cas, il est possible de sélectionner la couleur RAL préférée afin de personnaliser au mieux l'espace de travail.

The open structures in melamine, for use as a bookcase, can be completed with doors in solid color melamine, wood melamine or lacquered doors. In the latter case, it is possible to select the preferred RAL color, to better customize the work environment.

Las estructuras abiertas en melamina, utilizables para uso librería, se pueden completar con puertas en melamina de color liso, melamina de madera o puertas lacadas. En este último caso, es posible seleccionar el color RAL preferido, para mejor personalizar el entorno de trabajo.

In alternativa all'alta in legno è possibile utilizzare l'anta in vetro, disponibile nelle finiture: trasparente, satinato e retrolaccato nei colori bianco e nero con telaio in alluminio.

À la place de la porte en bois, il est possible d'utiliser une porte vitrée, disponible dans les finitions suivantes : transparent, satiné et laqué blanc et noir avec le cadre en aluminium.

As an alternative to the wooden door, it is possible to use a glass door, available in the finishes: transparent, satin and back-lacquered in black and white with aluminum frame.

Como alternativa a la puerta de madera, es posible utilizar una puerta de vidrio, disponible en los acabados: transparente, satinado y lacado en blanco y negro con marco de aluminio.

Caratteristiche:

- Soluzioni in nobilitato disponibili in 9 finiture intercambiabili.
- Soluzioni metalliche in 3 finiture di serie.
- Soluzioni portanti in nobilitato con vano a giorno.
- Soluzioni soft closing disponibili per ogni modello.
- Personalizzabili su quantità.

Caractéristiques:

- Solutions en panneaux anoblis disponibles en 9 finitions interchangeables.
- Solutions en métal en 3 finitions de série.
- Solutions caissons porteurs ouverts en panneaux anoblis.
- Solutions avec mécanisme de fermeture amortie disponibles pour tous les modèles.
- Personnalisables à partir d'une certaine quantité.

Features:

- Melamine solutions available in 9 interchangeable finishes.
- Metallic solutions in 3 standard finishes.
- Supporting solutions in melamine with open compartment.
- Soft closing solutions available for each model
- Customizable on quantity.

CASSETTIERE

**Caratteristiche:**

- Soluciones de melamina disponibles en 9 acabados intercambiables.
- Soluciones metálicas en 3 acabados estándar.
- Soluciones portantes en melamina con compartimento abierto.
- Soluciones soft dosing disponibles para cada modelo.
- Personalizables en cantidad.

RED Exclusive Design:

Tutti i modelli forniti di cassetto classificatore sono sempre dotati di quinta ruota.

Tous les modèles munis d'un tiroir pour dossiers suspendus sont toujours équipés d'une cinquième roulette.

All models equipped with a filing drawer are always supplied with a fifth wheel.

Todos los modelos equipados con un cajón archivador siempre están provistos de una quinta rueda.

Cassettiere con struttura in metallo su ruote, caratterizzate da affidabili sistemi di scorrimento su guide a rulli o guide a sfera telescopiche.

Les caissons avec une structure en métal sur roulettes, se caractérisent par des systèmes de glissement fiables sur des coulisses à galets ou des glissières télescopiques à billes.

Drawer units with metal structure on wheels, characterized by reliable sliding systems on roller guides or telescopic ball guides.

Cajoneras con estructura metálica sobre ruedas, caracterizadas por fiables sistemas de deslizamiento sobre guías de rodillos o guías de bolas telescópicas.

Cassettiere portanti con struttura in metallo. Disponibili con frontali in metallo o in melaminico, nelle versioni con tre cassetti o con due cassetti e classificatore.

Les caissons porteurs avec une structure en métal sont disponibles avec la façade en métal ou en mélaminé, dans les versions avec trois tiroirs ou deux tiroirs plus un tiroir pour dossiers suspendus.

Load-bearing drawer units with metal structure. Available with metal or melamine fronts, in the versions with three drawers or with two drawers and a filing cabinet.

Cajoneras portantes con estructura metálica. Disponible con frentes de metal o melamina, en versiones con tres cajones o con dos cajones y archivador.

Cassettiere in melaminico su ruote, disponibili monocolori o bicolore. Tutti i modelli forniti di cassetto classificatore sono sempre dotati di quinta ruota.

Les caissons en mélaminé sur roulettes sont disponibles en teinte unie ou bicolore. Tous les modèles munis d'un tiroir pour dossiers suspendus sont toujours équipés d'une cinquième roulette.

Drawers units in melamine on wheels, available in monochrome or two-colour. All models equipped with a filing drawer are always supplied with a fifth wheel.

Cajones en melamina con ruedas, disponible en un color o en dos colores. Todos los modelos equipados con un cajón archivador siempre están provistos de una quinta rueda.

Indispensabili complementi dell'arredo di ogni spazio di lavoro, le cassettiere portanti in melaminico divengono parte integrante e strutturale della scrivania. Disponibili con cassetti dotati di serratura e vano a giorno.

Compléments indispensables à l'aménagement de tout espace de travail, les caissons porteurs en mélaminé deviennent une partie intégrante et structurelle des bureaux. Ils sont disponibles avec une case ouverte et des tiroirs munis de serrure.

Essential furnishing accessories for any workspace, the load-bearing drawer units in melamine become an integral and structural part of the desk. Available with drawers with lock and open compartment.

Complementos de decoración indispensables para cualquier espacio de trabajo, los cajones portantes de melamina se convierten en parte integrante y estructural del escritorio. Disponible con cajones con cerradura et compartimento abierto.

Caratteristiche:

- Su ruote solo nella versione con cassetiera e vano a giorno.
- 9 finiture nobilitate di serie per ogni soluzione.
- Laccatura personalizzabile per ogni componente.
- Posizioni interscambiabili in fase di montaggio per le versioni su piedini.
- Combinazioni di colori senza limiti.

Caractéristiques:

- Sur roulettes seulement dans la version caisson ouvert.
- 9 finitions de série en panneaux anoblis pour chaque solution.
- Laquage personnalisable pour tous les éléments.
- Positions interchangeables en phase de montage pour les versions sur pieds.
- Combinaisons de couleurs sans limites.

Features:

- On wheels only in the version with chest of drawers and open compartment.
- 9 standard melamine finishes for each solution.
- Customizable lacquering for each component.
- Interchangeable positions during the assembly for versions on feet.
- Unlimited color combinations.

MOBILI DI SERVIZIO

**Caratteristiche:**

- Sobre ruedas solo en la versión con cómoda y compartimento abierto.
- 9 acabados en melamina estándar para cada solución.
- Lacado personalizable para cada componente
- Posiciones intercambiables durante el montaje para versiones en los pantorrillas.
- Combinaciones de colores ilimitadas.

Mobile di servizio in melaminico, disponibile monocolore o bicolore su ruote con 3 cassetti dotati di serratura e vano giorno.

Le meuble de service en mélaminé est disponible en teinte unie ou bicolore, sur roulettes, avec 3 tiroirs munis de serrure et une case ouverte.

Service piece of furniture in melamine, available in monochrome or two-color on wheels with 3 drawers with lock and open compartment.

Mueble de servicio en melamina, disponible en un color o dos colores sobre ruedas con 3 cajones con cerradura y compartimento abierto.

Mobili di servizio in melaminico free-standing o per scrivania in appoggio. È possibile scegliere tra cassetiera a tre cassetti con serratura, anta con serratura e vano a giorno.

Pour les meubles de service en mélaminé indépendants ou porteurs intégrés à un bureau, il est possible de choisir entre un caisson avec trois tiroirs munis de serrure, une porte avec serrure et une case ouverte.

Service piece of furniture in free-standing melamine or for a floor standing desk version. You can choose among a drawer unit with three drawers with lock, a door with lock and an open compartment.
